We developed these guidelines to help everyone use the Bitmoji brand.

When we say “brand assets,” we mean the Bitmoji word mark, Bitmoji app icon, Bitmoji logo, Bitmoji avatars, Bitmoji artwork, and our other features and product names, like Friendmoji and Actionmoji.

We update these guidelines periodically, so please check in often to see what’s new!

Logos

Bitmoji is represented by an app icon and a wordmark.

The Bitmoji logos symbolize a fun and personal experience.

Use the full-color Bitmoji app icon when displaying the logo beside other non-text logos.
Misuse

We usually love it when people don’t take us seriously!

A couple of exceptions, though.

- Don’t add or subtract elements — e.g. removing the rainbow bar from the wordmark or adding facial features to the app icon.
- Don’t transform or distort in any way — e.g. skew, rotate, stretch.
- Don’t alter any elements — e.g. the face in the app icon.
- Don’t apply outlines.
- Don’t add drop shadows or other special effects.
- Don’t modify transparency.
- Don’t type the word Bitmoji and connect it to the logo.
- Don’t contain in a shape.
Wordmark Usage

The Bitmoji wordmark either has dark or light text as found in the Press Kit.

Never show the Bitmoji wordmark in any color other than what is in the Press Kit.
Clear Space and Minimum Size

Everyone needs some personal space, including the Bitmoji logo.

When you’re using the Bitmoji logo with other graphic elements, make sure you give it some room to breathe. The empty space around the logo should be at least 50% of the width of the logo.

To ensure the logo maintains its visual impact, do not make the logo any smaller than a quarter inch or 18 pixels wide.
Clear Space and Minimum Size

Only display the Bitmoji logo alongside the Snapchat app icon and Spectacles logo as shown here.

You may display the Bitmoji logo side-by-side with other logos. If you include the Bitmoji logo next to other logos, please display it in the same size as other logos.

Don’t display the Bitmoji logo larger than your own marks or branding.
